East Timor: A Bibliography, 1970-1994

compiled by Sue Rabbitt Roff
with the Assistance of Peter Carey and Wendy Lambourne

This bibliography is an unannotated listing of publications, and some unpublished works, on East Timor from the period 1970 to 1994. It includes items in English, Dutch, French, Danish, German, Indonesian, Japanese, Norwegian, Portuguese, Russian, Spanish, and Swedish, and covers political, sociological, anthropological, historical, economic, legal and scientific aspects. No area or language has been deliberately excluded. However, a conscious decision was made not to include newspaper or newsletter articles except for some pieces judged to be of special significance, for example those by the Australian lawyer, Robert Domm, who met with Xanana Gusmão in September 1990, and Hugh O'Shaughnessy, whose special reports in the *Observer* helped to draw attention to East Timor at a critical time in the early 1990s.

While aiming to be comprehensive, the bibliography does not claim to be exhaustive nor perfectly complete. Rather, it is intended as a checklist of items to be used as a research tool. We hope it will have an organic existence and will, in time, be amended and grow through the contributions of others working in the field of East Timor studies.

Acknowledgements
The publication of this bibliography would not have been possible without the assistance of researchers and writers with expertise on East Timor who offered additions and corrections to the original list compiled by Sue Roff. In addition to the substantial contributions made by the leading bibliographer of East Timor, Kevin Sherlock, the present editor, Peter Carey, and Wendy Lambourne of the Peace Research Centre in Canberra, others to whom acknowledgement is due include Carmel Budiardjo, Roger Clark, Herb Feith, Liz Gardiner, Charles Scheiner, John Taylor and Pat Walsh.

The following bibliographies were also consulted for items to include

in this bibliography: Andrew McClean (compiler), *Security, Arms Control, and Conflict Reduction in East Asia and the Pacific: A Bibliography, 1980-1991*, Bibliographies and Indexes in Law and Political Science No. 19, Westport, CT: Greenwood Press, 1993; Ian Rowland (compiler), *Timor: Including the Islands of Roti and Ndao*, World Bibliographical Series Vol. 142, Oxford: Clio Press, 1992; and Kevin Sherlock, *A Bibliography of Timor: Including East (Formerly Portuguese) Timor, West (Formerly Dutch) Timor and the Island of Roti*, Canberra: Research School of Pacific Studies, Australian National University, 1980. A substantial part of the present bibliography (covering the period 1970-1993) has already been published by the Peace Research Centre of the Research School of Pacific Studies (Australian National University, Canberra; see the listing under Roff in the present Bibliography.
